Warm Christian Greetings,

I just wanted to take this opportunity to wish you both a Happy Anniversary, and to let you know that you are appreciated.

The Bible reminds us that love is the greatest thing that we have going for us if we are to spend and enjoy a lifetime together: "And now these three remain: faith, hope and love. But the greatest of these is love." 1 Corinthians, 13:13
A husband and wife share a special union blessed by God from the beginning of time, and in a world that is slowly losing its sense of right and wrong, it is still a wonderful thing to be part of God's original plan called Marriage.

I trust that your love has grown tremendously since your wedding day, and I know that as you keep Him first, He will give you the kind of love that is rich and lasting. As the Lord continues to richly bless your marriage, I pray that you will forever be a blessing to others.

May you have a Happy Anniversary and many more!

Serving Him Always,

Pastor Eric E. Dickey
