Greetings Pastor Dickey and Members:

One of my joys of the Christmas Season comes in thanking you'll (members of First Missionary Baptist) for your generosity and remembering persons without permanent shelter, the homeless in our communities.

There is a great mystery found in God's giving system. The world's value system is to give and therefore lose something. But in God's value system, giving means you receive. Every time you give in the name of Jesus, we receive! And we receive a blessing when we give food, clothes, showers, wash clothes for a homeless person.

During this time of year, when all the world is focused on giving and receiving of gifts, may we be ever mindful that God sent His Son as the greatest act of giving for us to experience the greatest blessing to receive.

The Seashore Mission staff give thanks to you and members of First Missionary Baptist for giving of your resources. We are blessed to receive the generous meals on Sunday which was delicious and plentiful. We fed 33 individuals. We also give thanks to you'll for the Christmas gifts for our homeless guests and staff. We "Praise the Lord" for Mrs. Pargo and Mrs. Robinson for delivering the meals and gifts.

Therefore, may the wonder of Christmas fill your hearts with hope, peace, joy, and love. Wishing you'll A Blessed Christmas and a Prosperous New Year.
